STRUCTURE FOR DEEP SUB-MICRON CMOS

INTERVIEW SUMMARY

Mail Stop **Non-Fee Amendment**
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants desire to make of record the substance of a brief telephonic discussion between the Applicants' undersigned attorney and the Examiner that occurred on 19 August 2003. Applicants wish to thank the Examiner for the courtesy of that brief discussion.

On 19 August 2003, Applicants' attorney, Mr. Kenneth D. Springer (Reg. 39,843), telephoned the Examiner to discuss the objections to the drawings contained in the Office Action dated 20 May 2003.

The Examiner indicated that all objections to the drawings would be overcome if Applicants: (1) revised FIG. 2B to add shading to more clearly indicate the dielectric layers 27, 28 and 29 described in the specification at page 5, lines 2-9; and (2) revised FIG. 2C to delete reference numerals 27, 28 and 29. Applicants' attorney indicated that he would propose such drawing revisions.

If the Examiner has any questions about this Interview Summary, or wishes to discuss this matter further, it is respectfully requested that he contact the undersigned attorney at 703.264.3526.

Respectfully submitted,

VOLENTINE FRANCOS, P.L.L.C.
